

welcome to Innovation Transfer Network (ITN)

What Do We Do? The Innovation Transfer Network (ITN) connects businesses to faculty and students at institutions of higher education in Central PA to stimulate applied research, leverage innovation in the marketplace, and accelerate commercialization of technology.

Learn more about how we can help you, [here](#) , if you are a Pennsylvania business owner or faculty, staff, student at a [member institution](#) .

CONNECTING FACULTY AND BUSINESS

Looking to connect with business and academic expertise? Visit our interactive community to view, post and search on all ITN academic and PA business profiles, projects and expertise - in the Enclave!

ITN is funded in part by the PA Department of Community and Economic Development's, Discovered in PA, Developed in PA program.
